10 May 1968

MEMORANDUM FOR THE RECORD

Morning Meeting of 10 May 1968

25X

DD/I discussed additional measures being taken to cover tensions in connection with Czechoslovakia.

DD/I reported that a meeting will take place Monday concerning distribution of the CIA/DIA joint study on enemy strength figures.

DD/I noted that a draft of the  to Ambassador Bohlen has been completed and should be coordinated and in final form by the middle of next week.

25X

DD/I commented on his briefing of the Princeton American Whig-Cliosophic Society yesterday.

Godfrey briefed on the Soviet order of battle in Eastern Europe, noting that available information indicates it is relatively normal.

Godfrey advised that the situation around Saigon has not changed perceptively over the last twenty-four hours.

Godfrey indicated that the SIG paper on Eastern Europe appears to be a good one and that OCI will have comments on it for the DDCI by 1130 today.

25X1

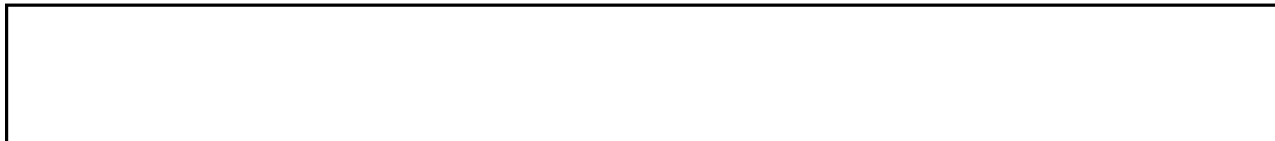

Maury called attention to the article on the tax bill by Richard Lyons in today's Washington Post.
